OBJECTS OF THE ASSOCIATION

The objects of the Association are to collect compile and disseminate information of a technical and semi technical nature pertaining to Helicopters and all other types of Rotating Wing Aircraft The Association aims to work in close co operation with existing Aeronautical Bodies on matters affecting its objects and it may act as an Advisory Body in the promotion of legislation calculated to be of benefit to the development of Rotating Wing Aircraft

**SYCAMORES CHOSEN
FOR R.A.F.
FIGHTER COMMAND**

R.A.F. Fighter Command have chosen the
"Bristol" Sycamore Mark 13 helicopter for
search-rescue and communications duties
This choice implies recognition of a
versatility and efficiency unmatched by any
other aircraft British or foreign.
