

SECOND EDITION including A NEW CHAPTER
SEWAGE PURIFICATION & DISPOSAL

By G. BERTRAM KERSHAW, M.Inst.C.E.

Demy 8vo

With 59 illustrations

18s. net

CAMBRIDGE PUBLIC HEALTH SERIES

When this book was first written in 1915, the activated sludge process of sewage treatment was in its infancy, and only the work of Dr Fowler was available. Since then much work has been done in connection with this process by various experimenters, both at home and abroad, and to bring the second edition up to date, a fresh chapter has been added, dealing with this method of treatment, together with other subjects—e.g. sludge digestion.

The Journal of Hygiene is issued as material accumulates. A volume containing four numbers is issued annually in paper covers at the following net prices:

Volumes I—III (1901—3). 17s. 6d.

Volumes IV—XVI (1904—18), *excepting* Vol. VI, no. 4, Plague number. 25s.

Volume XVII (1918). 31s.

Volumes XVIII—XXIV (1919—1925). 42s.

Quotations can be given for buckram binding cases and for binding subscribers' sets; also for bound copies of back volumes.

Papers for publication may be sent to Prof. GEO. H. F. NUTTALL, F.R.S., Longfield, Madingley Road, Cambridge, or to the associate Editors. Other communications should be addressed to the University Press, Cambridge.

Papers forwarded to the Editors for publication are understood to be offered to *The Journal of Hygiene* alone, unless the contrary is stated.

Contributors receive fifty copies of their papers free. Additional copies may be had at cost price: these should be ordered when the final proof is returned.

The subscription price is £2. 2s. per volume (post-free), payable in advance; single numbers 12s. 6d. net. Subscriptions may be sent to any Bookseller, or to The Cambridge University Press, Fetter Lane, London, E.C. 4.

The Cambridge University Press has appointed the University of Chicago Press agents for the sale of *The Journal of Hygiene* in the United States of America and has authorised them to charge the following prices: Subscription \$10.00 per volume; single numbers, \$3.00 each.

Plague Numbers, Vol. VI. no. 4 (out of print), Vol. VII. nos. 3 and 6, and Vol. VIII. no. 2, Vol. X. no. 3, Price 6s. net each. These five numbers can also be supplied bound in buckram, in two parts, for 20s. net.

A series of Plague Supplements has been issued; the first four of these contain Reports VI—IX on Plague Investigations in India. They are, in pagination, completely independent of the Journal although subscribers to the latter receive copies without extra cost. Price of Plague Supplements, i. and ii. 7s. net each; iii. 10s. net; iv. and v. 7s. net each. Plague Supplements i, ii, iii can also be supplied bound in buckram, price 20s. net.
