is published by the British School of Archaeology in Iraq (Gertrude Bell Memorial). It is subsidized by the British Academy, and is devoted to studies of the history, art, archaeology, religion, and social life of Iraq, and to a lesser degree of the neighbouring countries (Iran, Armenia, Anatolia, Syria, and Arabia), from the earliest times down to about A.D. 1700. Texts concerning these subjects, with translations and comments, will be considered; exclusively philological articles will not be accepted.
