New Books on International Affairs

CANADA:

Nation and Neighbour

By Arthur R. M. Lower, Queen's University. Here is the story of Canada, as nation and as neighbour. The book provides the necessary background material for an adequate explanation of Canada's foreign policy. The author discusses forces which have moulded public opinion: geography, language, traditions, religious denominations; groups, pressure and otherwise. Specially valuable for groups on international affairs. \$4.00

GERMAN IMMIGRATION INTO CANADA

By Wolfgang Friedmann. This book, written after a trip last summer to Germany, deals with the social and national traits of immigrants to Canada from Germany and their adaptability to the Canadian environment. The author writes with authority. In the thirties he immigrated to Britain from Germany. He is today a professor in the School of Law, University of Toronto. \$1.25

LORD MILNER AND THE EMPIRE

By Vladimir Halperin; introduction by Rt. Hon. L. S. Amery. A detailed study of the life and work of one of the greatest statesmen of this century. Milner attained high office and played a decisive part in the development of the Commonwealth. A book of interest to the general reader as well as to the student. Specially important for its material on South Africa. \$4.50
