

Schrödinger's cat extinction paradox— CORRIGENDUM

DOI: doi.org/10.1017/S0030605319001509. Published online by Cambridge University Press, 11 February 2020

The Editorial incorrectly states 2004 as the year of the extinction of the Catarina pupfish *Megupsilon aporus*. The correct sentence is ‘The species persisted in captivity for a further 20 years but ex situ breeding was unsuccessful and the last few captive individuals died in 2014 (Valdés González et al., 2020).’
