THE LAND OF THE GREAT SOPHY **SIR ROGER STEVENS**

Sir Roger Stevens' aim is to provide a summary of Persian topography, history, religion and art, together with a detailed tour of the country's ancient cities and monuments. He does not include only famous monuments; in the course of his duties as Ambassador he travelled extensively, exploring many lesser known buildings and beauty spots. He draws widely on a wealth of literature, but his account is also lively and personal. *The Land of the Great Sophy* gives an insight into Persia's past indispensable to anyone concerned with her present and future. *'His book should tempt many to visit this wonderful, friendly and hospitable country, and no one who goes there should fail to take it with him.'* Wilfrid Blunt, *The Sunday Telegraph*.
