# BIBLIOGRAPHY OF PHILOSOPHY

A QUARTERLY BULLETIN

*Published under the auspices of the  
International Institute of Philosophy  
and with the aid of UNESCO*

The BIBLIOGRAPHY OF PHILOSOPHY has been published since 1937 by the International Institute of Philosophy, with the support of Unesco and the C.N.R.S. (the French National Centre of Scientific Research). It is a quarterly which provides abstracts of recent books on philosophy. With the help of national bibliographical centres formed for this purpose, it covers publications in all countries of the world.

The bibliography is compiled by specialists in each field and gives information on all important publications in General Philosophy, Metaphysics, Logic, Epistemology and Philosophy of Science, Psychology, Ethics, Aesthetics, Social Philosophy, Philosophy of Law, of History, of Education and of Religion, in the History of Philosophy, and so forth.

The indices at the end of each volume constitute an invaluable pool for teachers, research workers, librarians and students. They are indispensable in any library.

Each National Center is autonomous in preparing bibliographical ground abstracts. Publishers and/or Authors are requested to send review copies of newly published books to their respective "National Center" (for U.S.A. to Prof. Richard H. Lineback, Bowling Green University, Bowling Green, Ohio, 5462).

Subscriptions: 56 French Francs; 10.50 US dollars. Single copy: 18 French Francs; 3.50 US dollars. Cheques to be made payable to LIBRAIRIE J. VRIN, PARIS. Payments from abroad to be sent to the BANQUE NATIONALE DE PARIS, Agence Sorbonne. Account number: 270.061 E.

You can also forward your order and effect payment through your usual Subscription Agency.

*Typescript.* Typescript, double-spaced, may be submitted (in duplicate) to any member of the Editorial Board. Postage for return of the typescript should be included. A bibliographical list of cited references should be headed 'References', placed on a separate sheet, in alphabetical order, and numbered. *Simple* citations should then be made by employing in the text, *rather than by footnote*, the appropriate numerical reference to this list. Discursive footnotes should be numbered consecutively throughout the typescript. *Typescript should not exceed thirty double-spaced pages. A summary abstract of approximately 100 words should accompany each article.* All formulas and equations should be put in such a form as to help minimize the number of printed lines in the journal. In the following examples the form on the right is preferable to that on the left:

(1) $p = -\frac{dx}{dy} = -\frac{dz}{dt}$	$p = -dx/dy = -dz/dt$
(2) $\lim_{n \rightarrow \infty} \frac{1}{n}$	$\lim_{n \rightarrow \infty} 1/n$
(3) $F_n = \sum_{v=1}^n f(Sn)$	$F_n = \sum_{v=1}^n f(Sn)$
(4) $\frac{1}{x} \prod_{n=1}^{\infty} \frac{\left(1 + \frac{1}{v}\right)^n}{1 + \frac{x}{v}}$	$1/x \prod_{n=1}^{\infty} (1 + 1/v)^n / 1 + x/v$

*Reprints.* Contributors of articles to this journal will receive, gratis, 50 reprints. Authors desiring additional reprints may order them by sending in, with their corrected galleys, the special order forms which they will find enclosed with their galleys.

*Reviews.* Publications intended for review should be sent to Dr. JAMES VAN EVRA, Department of Philosophy, *University of Waterloo*, Waterloo, Ontario, Canada.

*Philosophy of Science* is published quarterly; issues are dated *March, June, September and December* of each year. Correspondence concerning business matters should be addressed to Peter D. Should any issue of the current volume be out of print at the time the subscription order is received, the pro-rata value will be refunded to the subscriber. Duplicate copies may be obtained (if available) from the Managing Editor at the regular price of single issues (\$6.00). Subscriptions at reduced rates are available to qualified students; inquire of the Managing Editor.
