ADDENDUM

The original version of this notice gave the wrong first name of the author ANTONINO PICCIOTTO. This has been corrected above, and the original article has been updated to include this author's full name. We are deeply sorry for both the original error and the compounded mis-spelling in the notice, and apologise to the author.

In addition, the following corrections should also be noted:

Page 2, right column, paragraph 1, line 13 should read “After this breakthrough, the measurement of 10^9 /sr reactions (Picciotto *et al.*, 2014; Margarone *et al.*, 2015)”

Page 2, right column, paragraph 4, line 3 should read “...resulted in the generation of 10^9 /sr HB11 reactions.”
