

Afternoon, 2 o'clock.—Lady HENRY SOMERSET has kindly consented to open a discussion on "Some Aspects of Inebriety." FRANK ASHBY ELKINS, M.D. (Edin.), will read a paper entitled, "Asylum Officials—is it necessary or advisable for so many to live on the premises?" HORATIO B. DONKIN, M.A., M.D.(Oxon.), F.R.C.P., will kindly give an account of the work of the Royal Commission on the Care and Control of the Feeble-minded.

The Annual Dinner will take place on Friday, 24th July, in the Grand Hall, Criterion Restaurant, Piccadilly Circus, at 7 for 7.30 o'clock.

An innovation is being made this year in that there will be several ladies among the guests of the Association: it is, therefore, hoped that as many members as possible will each be accompanied by a lady, and that the lady members of the Association will be present.

N.B.—Places cannot be guaranteed to those who apply later than the 10th of July, and members are requested to notify to the General Secretary their intention of dining. (Tickets, wines included, One Guinea; for ladies 15s.)
