THE AMERICAN SOCIETY OF LAW & MEDICINE

The Medicolegal Tradition

Since its inception fifteen years ago, the American Society of Law and Medicine (ASLM) has grown from a small group of Massachusetts physicians and attorneys with a vision to one of the largest and most prestigious professional societies in America.

ASLM brings together professionals — attorneys, physicians, health care administrators, educators, nurses, judges, insurers — who are concerned with the interrelationships of law, medicine and health care. Members are bound by their desire to learn, to better serve their clients or patients and to progress in their careers.

ASLM promotes the finest in continuing education and professional recognition in the fields of law and medicine. It continues to accomplish this by tackling the major issues of the day — malpractice, risk management, AIDS, drug testing and drug dependency, health care financing, death and dying and new medical technologies. ASLM provides leadership in these critical societal issues and needs your support to fulfill its vision.

Through the initiation of projects, sponsorship of conferences, and the publication of two major journals, ASLM can keep you on the cutting edge of your profession.

Law, Medicine and Health Care and the *American Journal of Law and Medicine* are the journals published by the Society. *LMHC* is edited by prestigious board members, including Larry Gostin (editor-in-chief, Harvard), Jay Katz (medical editor, Yale), and Bernard Dickens (legal editor, University of Toronto).

Forthcoming in the *American Journal of Law and Medicine* is a commemorative edition for Harry Blackmun, U.S. Supreme Court Justice.

DATING CORRECTION

Two previous issues of the AMERICAN JOURNAL OF LAW & MEDICINE carried incorrect dates. The correct date for Vol. XI No. 4 is 1985; the correct date for Vol. XII No. 1 is 1986. We apologize for any inconvenience these errors may have caused.

EDITOR'S NOTE

In the last issue of the AMERICAN JOURNAL OF LAW & MEDICINE, a student author's name was inadvertently omitted. Paul Kleinman is the author of *The Hazardous Waste Facility Siting Controversy: The Massachusetts Experience*. We thank him for his fine contribution to the JOURNAL and apologize for the error.
