

Information for Contributors

The policies and procedures presented here are reproduced in greater detail on the publisher's website: <https://www.cambridge.org/core/journals/philosophy-of-science>

Submission Method: All submissions must be made through the *Philosophy of Science* Editorial Manager website: <https://www.editorialmanager.com/phos>. All electronic files should be readable in Microsoft Word or formatted as TeX or LaTeX. (Special restrictions apply to TeX and LaTeX documents; please see the website for details.) Other correspondence with the editorial office may be sent to: journal@philsci.org or *Philosophy of Science*, Department of Philosophy, University of Washington, Box 353350, Seattle, WA 98195, USA.

Manuscripts: Submissions must not exceed 9,000 words, including abstract and footnotes, but not references; a word count must be submitted with each essay. Manuscripts should be submitted in a form suitable for blind review and should include an abstract of approximately 100 words. Authors are strongly encouraged to employ a clear, reader-friendly writing style.

Discursive footnotes (consecutively numbered) should be kept to a minimum. Simple citations can be made in the text, by citing author and year of publication (with page number if necessary); a bibliography should appear on a separate page at the end. A detailed guide to the reference style appears on the website.

Copyright: Manuscripts should be submitted to *Philosophy of Science* with the understanding that upon acceptance for publication an exclusive license to publish will be granted to the Philosophy of Science Association.

Book Reviews: Books intended for review should be sent to the address given above. Persons wishing to review a book should contact the editorial office.

Correspondence concerning PSA business matters should be addressed to Max Cormendy, Executive Director, Philosophy of Science Association, University of Cincinnati, Cincinnati, OH 45221 (e-mail: office@philsci.org). The Philosophy of Science Association website is at <http://philsci.org>.
