Editor

Leta Miller, University of California, Santa Cruz, USA

Journal of the Society for American Music (JSAM) is an international, peer-reviewed journal dealing with all aspects of American music and music in the Americas. *JSAM* is dedicated to supporting scholarship that transcends disciplinary boundaries, cutting across historical musicology, music theory, ethnomusicology, cultural theory, identity studies, and American studies. *JSAM* encourages international dialogue across disciplines. The journal features articles, reviews of books, recordings, and multimedia items, and explorations of special topics.

Editorial policy

Journal of American Studies publishes works by scholars from all over the world on American literature, history, institutions, politics, economics, film, popular culture, geography and related subjects.

A 'Notes and Comments' section provides a forum for shorter pieces and responses from readers to points made in articles or reviews.

1. Submissions

All contributions and editorial correspondence should be sent to: Susan Castillo, Department of American Studies, King's College London, Strand, London WC2R 2LS. The Editor can also be contacted via email at Susan.Castillo@kcl.ac.uk.

Submission of an article is taken to imply that it has not previously been published, and has not been submitted for publication elsewhere. Authors of articles published in the journal assign copyright to Cambridge University Press (with certain rights reserved) and will receive a copyright assignment form for signature on acceptance of your paper.

Contributors are responsible for obtaining permission to reproduce any material in which they do not own copyright, to be used in both print and electronic media, and for ensuring that the appropriate acknowledgements are included in their manuscript.

2. Manuscript preparation

Articles should not exceed 6,000 words.

Manuscripts should be submitted as an electronic attachment. All submissions should be accompanied by an abstract of 150 words and a short CV of the author(s).

The author should provide a note of his or her institutional affiliation at the foot of the first page of the manuscript.

The author's email address should be clearly readable on the first page of the typescript, in case the disk cannot be opened. Text files should be word documents if PC and rtf documents if Macintosh. File names should be of the type AMSauthorsurname.doc or .rtf for ease of identification.

Diagrams, maps, and illustrations can be submitted as hard copy but also as electronic files if available. Artwork of any kind should be made into and eps file or a tif file and the file name should be AMSauthorsurname1.eps or .tif (where the number is the figure number).

Contributors should keep one copy of the typescript for correcting proofs.

3. Text preparation

Spelling and punctuation may conform either to British or American usage, providing it is consistent throughout. In either case quotation should follow the style of the original.

Use *-ize* (as in organize), connection, enquiry, judgement, focussed, role; elite, regime (without accents), but *communiqué*.

Quotations: Long quotations (i.e., of 50 words or more) will be set apart in smaller type, without quotation marks. They should also be indicated on the typescript. Shorter quotations will be set in the text, with double quotations within quotations, use single inside double.

Punctuation: All commas and periods ending quotations should appear inside the quotation marks; other punctuation goes outside unless it is actually part of the matter quoted.

Ellipsis within a sentence should be indicated by three ... spaced periods. Ellipsis at the end of a sentence should be indicated by three spaced periods following the sentence period, i.e. four periods in all.

Indentation: The first line of articles and of sections within articles and of reviews should not be indented. All other paragraphs begin with indentation.

Dates: 13 January 1976 (but 13 Jan. in footnotes); March 1978; 1920s; 1965–68; 1904–08 (except in headings: 1771–1773); seventeenth century; always abbreviate months in footnotes.

This journal issue has been printed on FSC-certified paper and cover board. FSC is an independent, non-governmental, not-for-profit organization established to promote the responsible management of the world's forests. Please see www.fsc.org for information.

Figures: Spell one to ninety-nine in text, except e.g. 75 voted for, 39 against, and 15 abstained. Spell only one to nine in footnotes. 15 percent (but use % in footnotes).

Abbreviations: Mr., Dr., Jr., Sr. (as in Richard Henry Dana, Sr.); but USA, USSR, UN, NATO, ACLS, DAB, PMLA (without periods). *Ibid.*, et al., etc., loc. cit. (Latin with periods).

Tables: Use space rather than vertical rules, unless the latter are absolutely essential sources and notes should appear immediately below each table.

Footnotes should be used sparingly; in general, to give sources of direct quotations, references to main authorities on disputable questions, and evidence relied on for a new or unusual conclusion. They should be numbered consecutively.

Capitalization: southern, northern, southerner, northerner, governor, President of the United States, South, North, Midwest.

Citations should wherever possible be to authoritative editions rather than to paperback reprints of no textual authority.

Books should be cited as follows, complete with publisher's name:

W.R. Brock, *American Crisis: Congress and Reconstruction 1865–1867* (London: Macmillan, 1963), 274–83

H.C. Allen and C.P. Hill, eds., *British Essays in American History* (London: Edward Arnold, 1957)

Frances Anne Kemble, *Journal of a Residence on a Georgia Plantation in 1838–1839*, ed. John A. Scott (New York: Alfred A. Knopf, 1961), 260ff.

John Livingstone Lowes, *The Road to Xanadu: A Study in the Ways of the Imagination* 2nd edn. (1930; rept. New York: Alfred A. Knopf, 1959), 61.

Helen T. Catterall, ed., *Judicial Cases Concerning American Slavery and the Negro*, 5 vols. (Washington, DC: US Govt. Printing Office, 1926–37), 1, 216–21, 247; 4, 16, 19.

John M. Hill, *An Introduction to American Fiction*, 2nd edn. rev. (Princeton: Princeton University Press, 1976), xi–xiii.

Subsequent citations should be indicated thus:

Immediately following: *Ibid.*, 47.

Within the next ten footnotes: Hill, 271–78

When the work has not been cited, in any form, for more than ten footnotes: Hill, *American Fiction*, 394

Avoid op. cit.

Journals should be cited as follows:

Bernard Poli, "The Hero in France and America," *Journal of American Studies*, 2 (1968), 225–38

Avoid Roman numerals. Indicate volume numbers by italicising, thus: 64

Vol. No. Ch. Pt. all cap.

Page numbers: 152–55, 113–257, 1365–69

Abbreviations to be italic, e.g. *Reviews in North America Literature*, hereafter abbreviated to *RNAL*.

Weekly magazines

"Who controls the Democratic Party?" *Time*, 19 Sept. 1975, 19–24

Newspapers

Norman Mailer, "Reflections on James Baldwin's 'Apocalypse'" , *New York Times*, 9 Oct. 1968, 23.

4. Proofs

Typographical or factual errors only may be changed at proof stage. The publisher reserves the right to charge authors for correction of non-typographical errors.

5. Offprints

Article authors will receive a PDF file of their work and a copy of the journal issue on publication.
