Nelson W. Polsby Assembles Innovative Program for 1989 Annual Meeting

Nelson W. Polsby, Program Chair of the 1989 Annual Meeting, has invited APSA's Organized Sections to participate in the creation of the 1989 Official Program. This is the first time that Organized Sections will organize for the Official Program the panels in their areas. Not only is this an important exploratory step in the development of Organized Sections in the Association, but it promises to reduce con-

siderably the complexity members confront in following the schedule of the program.

Beyond the areas covered by the 17 Organized Sections, Polsby has proposed eight additional program sections to ensure that all fields of political science are represented appropriately on the program.

In a second innovative move, Polsby has created six special areas which will not fall under the traditional sections of an annual meeting program. For the most part these panels are commemorative of significant events, including the 400th anniversary of the birth of Thomas Hobbes, the 200th anniversary of the French Revolution and the U.S. Bill of Rights, and the 25th anniversary of the Civil Rights Act. In addition, there will be panels on political science in Washington and on party realignment.

At its April 22 meeting, the Council approved the 1989 Program Committee as constituted by Polsby. The 1989 meeting will be held in Atlanta, Georgia at the Atlanta Hilton and Towers from Thursday, August 31 to Sunday, September 3.

On behalf of the Program Committee, Polsby is soliciting from Association members paper suggestions and offers to appear as discussants for next year's meeting. The deadline for receiving suggestions is December 1, 1988.

Association members are asked to write directly to the appropriate section leaders listed below. More general inquiries may be addressed to:

- Nelson W. Polsby, Department of Political Science, University of California, Berkeley, CA 94720.
- Norinne M. Hessman and Ann V. Peyser, APSA, 1527 New Hampshire Ave., NW, Washington, DC 20036; (202) 483-2512.

Further details on the plans for each section will be provided in the Summer issue of *PS*. The section heads are:
