- HAREFIELD £22,251 - £27,159 PA (inc) Ref: HH/SF/0961

E GRADES - ROYAL BROMPTON £21,017 - £24,709 PA (inc) Ref: RB/SC/0959

- HAREFIELD £20,311 - £24,003 PA (inc) Ref: HH/SF/0957

The Royal Brompton and Harefield NHS Trust have a unique approach. We believe in financially rewarding our Theatre staff well which means you'll get more money to spend on the things you want.

By joining our committed teams, ODPs benefit from being graded to the Nursing and Midwifery Scale. This means both London and cost of living allowances, with a 4.5% quarterly bonus. Private patient work is paid at £50 per hour and our bank shifts pay £140 per day - should you want it.

So if you are looking to earn more money, you'll be please to hear that we are looking for skilled Recovery Staff and registered ODPs.

The Post Anaesthetic Care Unit (Recovery) is situated within Thoracic Theatres. It is a busy 4 bedded Unit, providing a full range of post operative care, ranging from Day Surgery to extensive Thoracic Surgery.

Recovery staff need to be dynamic, enthusiastic and have the ability to work independently. A keen interest in pain management, education and research is essential.

For the F Grade Recovery vacancy, you will require RGN or City & Guilds 752/NVQ Level 3, together with at least 2 years' Recovery or ITU experience. ENB 183 or ENB 100 is desirable as is an interest in Health and Safety.

For the E Grade Recovery vacancy, you will require RGN, NVQ Level 3 and at least 1 years' Recovery or ITU experience. The ENB 183 or ENB 100 is desirable.

The ODP/Anaesthetic Nurse positions will involve covering cardiac and thoracic anaesthesia, ventilatory support for ITU and anaesthetic support for other areas within the hospital. You will be required to fulfil an On-call commitment as part of the anaesthetic team. Two years general Theatre experience is essential. Previous experience in cardiac or thoracic anaesthetics is preferable but not essential, as training will be provided to the right candidate.

Our specialist departments offer a real chance for ongoing career development. Our location is excellent too. We are based on 2 sites, the first of which is just off the Kings Road, in the heart of Kensington. The other, in Harefield, offers a much quieter country setting with excellent transport links to central London. Either way, with refurbished accommodation available, you'll have no problem settling in.

We are also involved in the Government's regeneration and modernisation of the Paddington Basin. Meaning that in 2007 you'll be part of Europe's largest and most specialised Heart and Lung Centre.

For further information and informal visits if desired, please contact Jackie Burbidge, Theatre Manager at Harefield on **01895 828598** and Paul Silvester, Theatre Manager at Royal Brompton on **020 7351 8692**.

For more details on how to make both yourself and your credit card companies happy, please contact the Recruitment Bureau at Harefield Hospital on **01895 828826** (24 hours recruitment message system) or email: recruitment@rbh.nthames.nhs.uk quoting the appropriate reference number.

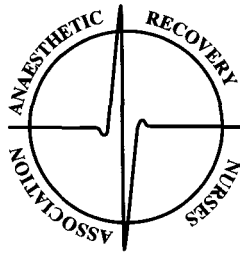

Closing Date: 16 May 2003.

We promote diversity within our workforce.
We operate a no smoking policy.
