# CANADIAN JOURNAL OF LAW AND SOCIETY/ REVUE CANADIENNE DE DROIT ET SOCIÉTÉ

The *Canadian Journal of Law and Society* is a refereed journal dedicated to the promotion and publication of writing on law and the legal system, broadly defined. The *Journal* is interdisciplinary in nature, emphasizing research about law that draws on the perspectives and methods of non-legal disciplines. Contributions from all disciplines and viewpoints are welcome.

La *Revue canadienne de droit et société* fonctionne avec un système d'évaluation externe des manuscrits; elle se voue à la promotion et à la publication de la recherche sur le droit et le système légal, définis d'une manière compréhensive. La *Revue* est interdisciplinaire, mettant l'emphasis sur la recherche juridique tout en faisant appel aux perspectives et méthodes distinctes de celles du droit. Les contributions relevant de toutes les disciplines et de toutes les approches sont les bienvenues.
