Canadian Journal on Aging is a refereed, quarterly publication of the Canadian Association on Gerontology. It publishes manuscripts on aging concerned with biology, educational gerontology, health sciences, psychology, social sciences, and social policy and practice. Acceptance or rejection of manuscripts will be on the recommendation of Editors representing the five divisions of the CAG, in consultation with reviewers. Normally, two or more reviewers, in addition to the Editors, will review the manuscript. The Canadian Association on Gerontology and the Editors accept no responsibility for views and statements of the authors.

La Revue canadienne du vieillissement, revue trimestrielle dotée d'un comité de lecture, est l'organe de l'Association canadienne de gérontologie. La revue publie des articles sur le vieillissement dans les disciplines suivantes : biologie, gérontologie éducative, sciences de la santé, psychologie, sciences sociales et politiques et pratiques sociales. Les manuscrits sont acceptés ou refusés sur la recommandation des rédacteurs représentant chacune des cinq sections de l'ACG, et après consultation des membres du comité de lecture. Les manuscrits sont normalement soumis à l'approbation des rédacteurs et de deux lecteurs ou plus. Les opinions exprimées dans la revue n'engagent que leurs auteurs.
