The Execution of Mayor Yin

and other stories from the great proletarian cultural revolution
Chen Jo-hsi Introduction by Simon Leys

Translated by
Nancy Ing and Howard Goldblatt

A collection of stories by a Taiwan-born writer who 'went home' to the People's Republic of China.

Perceptive and moving accounts, the stories are varied in tone and the range of characters is broad, from which one can gain real insight into life in China during and after the cultural revolution.
