The Classical Association

The objects of the Classical Association are to promote the development and maintain the well-being of classical studies, and in particular (a) to impress upon public opinion the claim of such studies to an eminent place in the national scheme of education; (b) to improve the practice of classical teaching; (c) to encourage investigation and call attention to new discoveries; (d) to create opportunities for intercourse among lovers of classical learning.

Membership of the Association is open to men and women alike. The annual subscription is 5s. (life composition, £5. 5s.). Members receive a copy of the annual *Proceedings* of the Association. They may also obtain the *Classical Review* and *Classical Quarterly* at reduced prices (*Review* 30s., *Quarterly* 25s.; combined subscription £2. 13s.), though the reduction cannot be guaranteed unless the subscription is paid before January 31st in each year. *Greece and Rome* may be obtained for an annual subscription of 20s.

Copies of the final issue of *The Year's Work in Classical Studies* (covering the years 1945-7) and of the volume for 1939-45 can still be obtained for 6s. each from Professor L. J. D. Richardson, University College, Cardiff, who can also supply many of the pre-war back numbers at 2s. 6d. per volume, post free.
