By the author of *East and West*

THE CRISIS OF THE MODERN WORLD

By RENÉ GUÉNON

Translated from the French by ARTHUR OSBORNE

8vo, cloth, pp. 170. Price 6s.

"René Guénon is one of the few writers of our time whose work is really of importance . . . he stands for the primacy of pure metaphysics over all other forms of knowledge, and presents himself as the exponent of a major tradition of thought predominantly Eastern, but shared in the Middle Ages by the scholastics of the West . . . clearly Guénon's position is not that of Christian orthodoxy, but many, perhaps most, of his theses are, in fact, better in accord with authentic Thomist doctrine than are many opinions of devout but ill-instructed Christians. This in itself is a reinforcement of his arguments."—*The Weekly Review*.

MINOR ANTHOLOGIES OF THE PALI CANON
