

BUSINESS HISTORY REVIEW

SUMMER 2005

A Kelly-Springfield truck at a Royal Dutch Shell service station,
San Francisco, 1915

Cover: Royal Dutch Shell was among the Dutch firms doing business in the United States in the early twentieth century. In this issue, Mira Wilkins traces the history of Dutch multinational enterprises in America from the colonial period to the present. Contributors

Robert Fitzgerald is reader in business history and international management at Royal Holloway, University of London. He has published widely on labor management, marketing, business organization, and corporate governance and is currently conducting research on the comparative and international aspects of business history.

Takashi Hirao is research fellow of the Japan Society for the Promotion of Science. He has been a researcher at Hitotsubashi University and a lecturer at Tokai University, and he has published several works, in Japanese, on British labor management.

Ian Hunter is lecturer in the Department of Management and Employment Relations at the University of Auckland Business School and co-director of the university's Business History Project. He has published in the areas of historical biography, entrepreneurship, retailing, innovation, and management and is presently working on a book that explores the relationship between entrepreneurship and economic development in New Zealand between 1880 and 1910.

Mira Wilkins is professor in the Department of Economics at Florida International University, where she specializes in the history of foreign investment and multinational enterprises. She is the author of *The Emergence of Multinational Enterprise: American Business Abroad from the Colonial Era to 1914* (1970), *The Maturing of Multinational Enterprise: American Business Abroad from 1914 to 1970* (1974), and *The History of Foreign Investment in the United States to 1914* (1989). Her most recent book, *The History of Foreign Investment in the United States, 1914–1945* (2004), was a corecipient of the Hagley Prize in Business History at the 2005 Business History Conference.
