THIS IS JOHN HERBERT

*A former inmate of a Canadian prison . . . a poet
. . . a former carnival spieler . . . a short story writer
. . . an essayist . . . a construction worker in Labrador
. . . a stone mover on the Winnipeg Dam . . . an illustrator
. . . a university men's club waiter . . . a playwright.*

That is the background of the man who authored

"FORTUNE and men's eyes"

"JOHN HERBERT is a Canadian with fierce and terrible daring. Nothing I have seen in many a long pale month — not since Peter Brook's 'Marat/Sade' has moved me so profoundly. The production, in a word, is brilliant — quick, true, rough, funny, spontaneous."
— Tallmer, N. Y. Post

"JOHN HERBERT strips mankind to its rottenest core and it requires a strong stomach to watch, but it is the strong stuff of which great theatre is made."
— Jefferys, ABC-TV

"JOHN HERBERT's play is grim, unsparing and in its way, very funny, and most beautiful. It is a story of great social passion but it is not in any way a social polemic. It is devastatingly effective and an astonishingly good play."
— Nathan Cohen, Toronto Star

"JOHN HERBERT's dramatic report is vital and thrusting. It has impact and it does make graphic the sink of depravity that, apparently, soils all reform schools."
— Whitney Bolton, Morning Telegraph

"JOHN HERBERT's 'FORTUNE AND MEN'S EYES' is consistently fascinating, a solidly effective drama and an impressive playwrighting debut."
— Smith, Village Voice

"JOHN HERBERT knows the degradation and depravity of jail as well as Jean Genet. He writes about it with force and great impact. 'FORTUNE AND MEN'S EYES' has a shock value to it that many people will find absolutely fascinating. And a lot of eyes and ears will open very, very wide. When theatre does this, I'm for it."
— Raidy, Newhouse

"JOHN HERBERT has an uncanny gift for capturing this grotesque group of people in dialogue that is uniquely right for each of them. Herbert is a playwright who will be heard from. Audiences sat up and cheered his absorbing drama."
— Harold Stern, Toronto Telegram

"JOHN HERBERT accomplishes his purpose . . . the violence, perversion and rough language are inherent to the story. 'FORTUNE AND MEN'S EYES' is a good play and it's well done."
— Probst, NBC-TV
