

# *The Journal of Medicine and Philosophy*

Editor: EDMOND D. PELLEGRINO

ISSN 0360-5310

Associate Editor: H. TRISTRAM ENGELHARDT, Jr.

*The Journal of Medicine and Philosophy* is sponsored by the Kennedy Institute of Ethics and explores the shared themes and concerns of philosophy and the medical sciences. Not since Galen's time has the contact between medicine and philosophy been so widespread; the Journal seeks to meet the challenge of this dialogue by providing a forum for philosophers, medical practitioners, educationists, and humanists to examine the problems and controversies stimulated by the engagement of these two disciplines.

**Public health in Victorian Britain**

ANTHONY S. WOHL

*University Paperback*

'For those interested and concerned with the causes of the serious health problems of people in the developing world, Anthony Wohl's description of city life in Victorian Britain should be compulsory reading... (It) is a fascinating book drawing on a wide range of publications and revealing a largely unknown aspect of life in the Victorian age.'

*New Scientist*

'His book is the culmination of many year's work on the issues faced by the Victorians, skilfully woven into an absorbing, and certainly evocative narrative.'

*The Times Educational Supplement*

448 pages

Paperback 0 416 37950 8 £7.95

## **Reproductive Rituals**

**Perceptions of fertility in Britain  
from the sixteenth century to the  
nineteenth century.**

ANGUS McLAREN

Professor McLaren discusses the various rules, charms, taboos and remedies employed to affect the processes of conception and gestation. *Reproductive Rituals* explains the social and cultural influences on fertility patterns which are central to our understanding of demographic change, and makes an important contribution to the history of the family. It is compulsive reading.
