St Andrew's Hospital

Northampton

A NATIONAL PROVIDER OF MENTAL HEALTH SERVICES

The Governors invite applications for the appointment of

MEDICAL DIRECTOR

The Hospital, having 390 beds, is a not-for-profit Charitable Trust and Britain's largest and most diverse independent psychiatric hospital, which has established a national reputation for specialised services in Psychiatry and the field of Brain Injury. The St Andrew's Group includes Bowden House Clinic at Harrow and intends to expand further on and off campus.

Facilities at the Hospital are being continuously improved and extended.

Staff to patient ratios are in keeping with the aim of the Hospital to provide the highest standards of medical, nursing and therapeutic care.

Consultant staffing is based on full-time contracts. There are 13 Medical Consultants and 7 Psychology Consultants. Present and future Junior medical staffing is based on University links, associate/staff appointments and maturing plans to be part of the local College approved psychiatric training scheme.

The successful candidate will take over as Medical Director from Dr Hugh Ferguson, who retires this year. He/she will be part of a very pro-active Executive Directorate, accountable to the Chief Executive and the Governors of the Hospital, but will hopefully have part-time clinical work of his/her choosing.

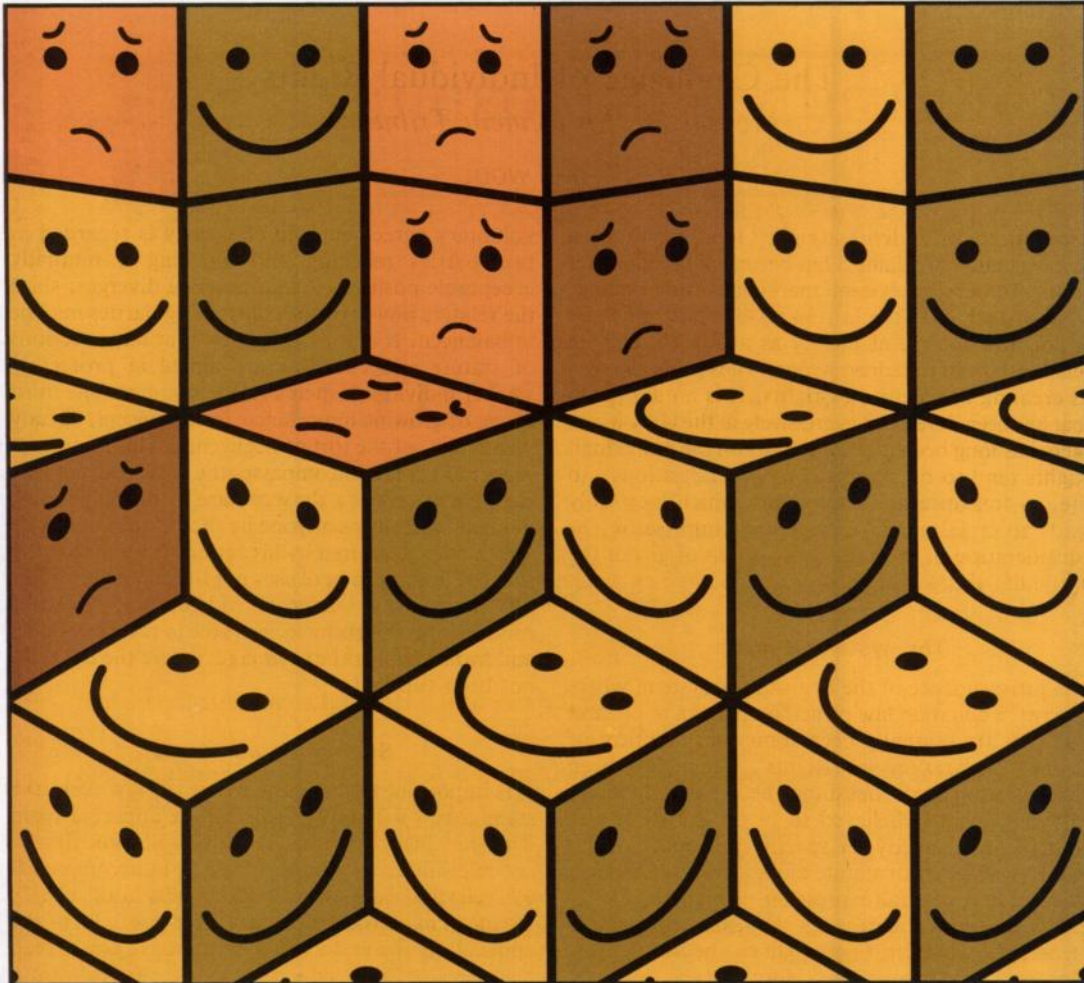

The Hospital has its own pension scheme, is similar to that of the N.H.S.

Candidates should have a wide experience in Psychiatry with Consultant status and have clinical/research skills as well as managerial and entrepreneurial abilities.

Salary is negotiable, but the range will be above that which applies to a Consultant in the N.H.S. with a higher distinction award. There are additional fringe benefits, e.g. car (or cash allowance), private medical insurance.

Interested applicants are invited to visit the Hospital. Further particulars may be obtained from the Director of Operations, St Andrew's Hospital, Billing Road, Northampton NN1 5DG (Tel: (01604) 29696). Applications and C.V.s should be sent to the Chief Executive Officer, Rear Admiral Paddy O'Riordan, to arrive not later than 31st May 1995.
