## **Program Plans for 1988 Annual Meeting**

**John Ferejohn** and **Stephen Krasner**  
Stanford University

As organizers of the convention we have not tried to impose a theme on individual sections. Rather, we have encouraged the section chairs to define their own intellectual agendas. We expect that this will result in a program at least as vibrant as one that could be generated around a specific theme. The panels described below reflect the range of substantive interests and theoretical approaches that inform contemporary political science. We hope that the program will generate not just something for everybody, but something good for everybody.

### **Policies and Deadlines**

Paper proposals and offers to appear as discussants or panel chairpersons must be submitted as early as possible. The deadline for receipt of submissions is
