Journal of Interamerican Studies & World Affairs

With this issue of the *Journal of Interamerican Studies and World Affairs* we inaugurate a new distribution agreement with Lynne Rienner Publishers, Inc. We are pleased to use this occasion to launch our new look.

The content of our *Journal* will continue to be the same timely, scholarly refereed articles you have come to expect.

We have changed our page size from our traditional 5.5" x 8.5" to the current industry standard of 6" x 9". At the same time, we are changing our text stock to a natural color that is easier on the eyes. Our new text typeface is Garamond Book, with headlines set in Henning to match our new logo. The cover will now have a photo illustrating one of the featured articles.

We hope you enjoy the new presentation and find it easier to read.
