Domestic Silver of Great Britain and Ireland

By EDWARD WENHAM.

With Ninety-five plates. 30s. net.

'... Collectors can never have too many picture books, provided that they are reliable; for in comparison lies the greater part of knowledge in matters of art criticism. Mr. Wenham's book will therefore form a welcome newcomer to the reference shelves of all collectors of old silver; for it contains just short of 100 plates illustrating well over 300 objects. ...'
