Alumni Cantabrigienses

A biographical list of all known students, graduates, and holders of office at the University of Cambridge, from the earliest times to 1900

Part II. From 1752 to 1900

Volume II, Chalmers—Fytche

Edited by J. A. VENN

Part I, embracing all recoverable names from the earliest times to 1751, appeared in four volumes between the years 1921 and 1927. This is the second volume of the second Part, of which four other volumes will follow—64,000 biographies in all, bringing the record down to the year 1900. Many difficulties with the sources for the earlier volumes have lessened for these later entries; more material is at hand, and therefore fuller biographies have been possible. Editions limited to 500 copies. £7. 10s. net, each volume.
