The Financial Management Association invites the submission of student papers for a special student paper session at the 1978 annual meeting at the Radisson South Hotel in Minneapolis, Minnesota, October 12-13, 1978. One or two student sessions (depending on the quality and quantity of papers received) will be held. All papers will be reviewed anonymously and will be evaluated solely on merit. One or two of the papers may be published in *Financial Management*.

All current undergraduate and graduate students, except graduate students who will have obtained professorial rank by the time of the meeting, are eligible. Joint authorship is acceptable.

Completed papers should be submitted in triplicate not later than April 1, 1978, to:

Professor Roger P. Bey
College of Business and Public Administration
University of Missouri-Columbia
Columbia, Missouri 65201
Phone : (314) 882-3063 (Office)
(314) 445-1501 (Home)

To maintain objectivity in selection, include only the title of the paper on the first page. On a separate sheet include the title of the paper, student's name, student status, and academic institution.

Program decisions will be made by June 15, 1978.

ANNOUNCEMENT

KENNETH L. TREFFTZ STUDENT AWARD
FOR AN OUTSTANDING PAPER IN FINANCE

The Western Finance Association invites Faculty members to submit student papers in the area of Finance to be considered for the annual KENNETH L. TREFFTZ AWARD. The competition is open to both graduate and undergraduate students.

Author of the selected paper will have an opportunity to present his or her paper at the 1978 Annual Meeting of the Western Finance Association in Hawaii. The paper will be published in the 1978 Proceedings Issue of the Journal of Financial and Quantitative Analysis. In addition, the award winner will receive a cash prize of \$150.

The subject matter of papers is not restricted to any specific area of Finance. Papers in business finance, investments, banking, and financial markets and institutions are especially appropriate. However, others in related areas such as insurance, accounting, etc., might also be acceptable if the paper has significant implications for Finance. Papers may be theoretical or empirical. Since the selected paper will be published in the Journal, papers should be of high quality and appropriate length for a journal article. All papers will be evaluated by the Awards Committee. The committee retains the right not to award the prize if the papers submitted fail to meet the quality requirements.

Students interested in having their papers considered for this Award should submit their papers in triplicate, not later than March 30, 1978, to:

Professor Seha M. Tinic
Faculty of Business Administration and Commerce
University of Alberta
Edmonton, Alberta, Canada T6G 2G1

The winner of the Trefftz Award will be announced no later than May 15, 1978.
