**THE PRESCRIBER'S PHARMACOPŒIA: Containing  
all the Medicines in the British Pharmacopœia, arranged in Classes according to  
their Action, with their Composition and Doses. By a Practising Physician.**

\* \* \* This edition has been re-modelled in accordance with the British Pharmacopœia,  
and the whole of its contents have been otherwise carefully examined and corrected.  
It is not doubted that the little volume now respectfully presented to the members of  
the Profession in actual practice will be found even more useful than the previous  
editions.

JOHN CHURCHILL AND SONS, New Burlington Street.

No. 50. New Series, No. 14.)
