# THE MEDIIEVAL CARVER

By M. D. ANDERSON

"The book", writes Professor W. G. CONSTABLE in his Preface, "with its examples drawn from the length and breadth of England, helps to put us in touch with the minds not only of the medieval churchman, but of the merchants, tradesmen, craftsmen, and labourers of medieval England. In an illiterate age, the mind of the vast mass of people must be sought largely in its monuments."

CAMBRIDGE UNIVERSITY PRESS
