International Theory

A Journal of International Politics, Law and Philosophy

journals.cambridge.org/int

Editors

Duncan Snidal, *University of Chicago*

Alexander Wendt, *The Ohio State University*

Launching in 2009, *International Theory* invites papers on theory of all varieties and from all disciplines, provided it addresses problems of politics, broadly defined and relates to the international.

International Theory welcomes scholarship that uses evidence from the real world to advance theoretical arguments. However, it is intended as a forum where scholars can develop theoretical arguments in depth without an expectation of extensive empirical analysis.

Full instructions for contributors can be found here: journals.cambridge.org/int/ifc
 Manuscripts for consideration or any queries should be sent by email to the Editors at it.mershon@osu.edu

International Theory is published with the support of the Mershon Center of The Ohio State University
