

U.S. Presidents and Latin American Interventions

Pursuing Regime Change in the Cold War

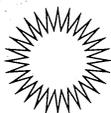

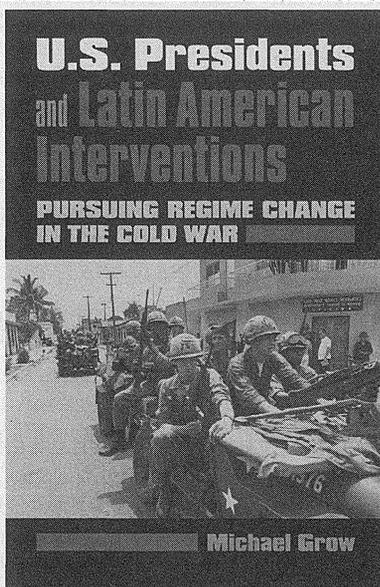

Michael Grow

“A stunning account that defines for our lifetime the meaning of the term ‘hegemony,’ with a graceful, inviting style that foregoes the strident tone of much of the literature on intervention. . . . Should be at the top of Washington’s reading list.”—Lars Schoultz, author of *Beneath the United States: A History of U.S. Policy toward Latin America*

“An important addition to the literature on U.S. policy toward Latin America and the general literature on U.S. foreign policy during the Cold War.” —William LeoGrande, author of *Our Own Backyard: The United States in Central America, 1977–1993*

“A wonderful and refreshingly clear-eyed book.”

A Poverty of Rights *Citizenship and Inequality in Twentieth-Century Rio de Janeiro*

BRODWYN FISCHER

"*A Poverty of Rights* offers pioneering insights into the political dimensions of urban poverty in Brazil and Latin America. Fischer shows how slum dwellers' rising political consciousness motivated them to challenge their exclusion from formal politics. Their struggles resulted in conquests in both civic and property rights, despite the staying power of clientelism in Brazil's capital city."

AN ISLAND CALLED HOME

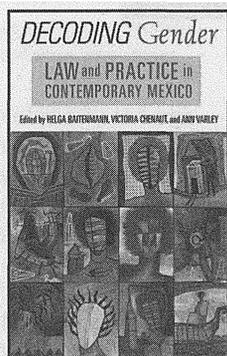

Returning to Jewish Cuba

Ruth Behar

PHOTOGRAPHS BY HUMBERTO MAYOL

"Traversing the island, Behar becomes a confidante to a myriad of Jewish strangers. Through one-on-one interviews and black-and-white images taken by her photographer, Humberto Mayol, she uncovers the diasporic thread that connects Cuban Jews . . . This diligent recounting and pictorial collage of interviews with adolescents, the aging, the impoverished and the political by Behar preserves in memory the people and places that make up Cuba's Jewish story." —*Publisher's Weekly*
