In the September 2009 issue of the journal, in the article by Sarda et al (Sarda V, Molloy A, Kadkol, et al. Active surveillance for methicillin-resistant *Staphylococcus aureus* in the neonatal intensive care unit. ICHE 2009; 30:854-860), the first

name of the third author, Kadkol, was misspelled; the correct spelling of this author's first name is ShriHari (*not* Shirahi). The authors apologize for this error.

In the July 2009 issue of the journal, in the article by Lanini et al (Lanini S, Jarvis WR, Nicastrì E, et al. Healthcare-associated infection in Italy: annual point-prevalence surveys, 2002–2004. ICHE 2009; 30:659-665), the titles of three of the authors were incorrect: the correct title for F. Marchetti, L. Giuliani, and P. Piselli is PhD (*not* MD). Also, the affiliations

of two of these authors were incorrectly transposed: Direzione Medica GlaxoSmithKline, Verona, is the affiliation of F. Marchetti (*not* of L. Giuliani), whereas Farmacia Ospedale della Carità, Novara, is the correct affiliation of L. Giuliani (*not* of F. Marchetti). The authors regret these errors.
