BOOKS FOR GERMANY

THE response to Aldate's appeal last month for books of all sorts, periodicals, paper, typing materials etc., for Germany and in particular for the Dominican apostolate in Germany has been very gratifying. We wish to acknowledge with thanks the numerous gifts for this purpose, gifts which include a duplicating machine, desk trays, as well as much paper and many books. We would encourage readers to maintain their generosity in this way and to continue sending such gifts to *Aldate*, BLACKFRIARS, OXFORD.

In addition, should any reader not wish to preserve his copy of BLACKFRIARS, he is encouraged to send it on to Miss C. Anderson, C.C.R.A., c/o Vatican Mission, No 2 Quartering Offices, Bonn, B.A.O.R.

It is difficult for the Editor to meet the steadily increasing demand for BLACKFRIARS in this country, so that there are practically no spare copies which could be sent to Germany where there is a great need for such periodicals. As the Vatican Mission has asked specially for copies of BLACKFRIARS, we hope that readers will respond also to this appeal.

THE EDITOR.
