The Political Origins of Social Policy in the United States

THEDA SKOCPOL

There is little doubt that [PSEM] will be regarded as one of the most significant (perhaps the most significant) books on the development of the American welfare state."

— Martin Shefter, Cornell University
Blending original research with political analysis, Skotcpol examines the institutional, cultural and organizational forces that have shaped U.S. social policies over the nineteenth and twentieth centuries.

Making the Empire Work

London and the American Interests Groups, 1690-1790

ALISON GILBERT OLSON

The Americans accepted British rule not through fear of the government, but because they had effective methods of influencing it to their own benefit. Olson reveals a source of that influence in networks of interest groups working cooperatively in England and America. "This is a magisterial synthesis of an important and neglected topic."

— Richard R. Johnson,

University of Washington

Perry of London

A Family and a Firm on the Seaborne Frontier, 1615-1753

JACOB M. PRICE

The Perrys' story inter-relates social, commercial and political history. It offers an important contribution to our understanding of the nature of Chesapeake trade and the forces shaping the success and failure of English mercantile enterprise in the seventeenth and eighteenth century.

Getting Work

Philadelphia, 1840-1950

WALTER LICHT

Licht's research includes: how young people secured jobs; the influence of agencies on the hiring process; schools and work; apprenticeship programmes; the state as employer and as shaper of employment conditions; and losing work. It is an illuminating study for social historians and economists.

The Spanish Frontier in North America

DAVID J. WEBER

This magisterial book is the definitive history of the Spanish colonial period in North America. Authoritative and colourful, the book describes not only the Spaniards' impact on the lives, institutions, and environments of the native peoples, but also the effect of native North Americans on the societies and cultures of the Spanish settlers.

Art and Empire

The Politics of Ethnicity in the U.S. Capitol, 1815-1860

VIVIEN GREEN FRYD

Between the end of the War of 1812 and the onset of the Civil War, the federal government commissioned numerous statues, reliefs, murals, and fresco paintings to decorate the U.S. Capitol. In the first in-depth look at this public art, Vivien Green Fryd convincingly argues that they were used to outline the course of the North American empire, justifying and reinforcing America's imperialistic ideals and actions with images that promoted the subjugation of Native Americans.

The Rich Neighbor Policy

Rockefeller and Kaiser in Brazil

ELIZABETH A. COBBS

Focusing on the post-World War II business and philanthropic activities of Nelson Rockefeller and Henry Kaiser in Brazil, Elizabeth A. Cobbs finds that Rockefeller's and Kaiser's transfer of American techniques, technology, and financial resources to Brazil promoted sustained economic development there, creating a Rich Neighbor Policy at a time when the U.S. government was abandoning its Good Neighbor Policy in favour of global priorities.

Dean Acheson

The Cold War Years, 1953-71

DOUGLAS BRINKLEY

Dean Acheson is perhaps best remembered as President Harry Truman's powerful secretary of state. Yet he also played a major role in politics and foreign affairs after his tenure in the Truman administration. This engrossing book, the first to chronicle Acheson's post-secretarial career, paints a portrait of a brilliant, irascible, and powerful man acting during a turbulent period in American history.

Women and the Work of Benevolence

Morality, Politics, and Class in the Nineteenth-Century United States

LORI D. GINZBERG

"Ginzberg offers a carefully nuanced interpretation of ante-bellum women reformers... [Her] determination to juxtapose issues usually studied in isolation could stand as a model for American social historians of any period. Her questions about the intersections of gender, morality, class, and politics will remain significant for years to come." — Peggy Pascoe, *American Historical Review*
