## ffPS Tours

**Zambia and Zimbabwe, August 11-29.** Six days at Norman Carr's Chibembe Camp, overlooking South Luangwa National Park in Zambia, and at the nearby Chinzombo Camp, followed by a day and night each on the Zambian Zimbabwean sides of Victoria Falls and a journey down Lake Kariba for two nights in Zimbabwe's Bumi Hills.

**Zambia and Botswana, September 3-24.** A week on safari in Botswana's – and Africa's – only inland delta, the Okavango, followed by a week in Zambia's Luangwa Valley and two days in the Kafue National Park.

On either of the African tours, members may, at a lower rate, choose only the two-week Zambian part.

A tour to China is being planned for October 1982.

*The Society would like to thank members who responded to the recent random survey. The information will help shape plans for a new membership drive.*
