

THE YVES R. SIMON INSTITUTE

The Institute is a philosophical and cultural foundation formed for the purpose of using classical realistic philosophical methods to deal with contemporary problems. It was founded and inspired by the desire to perpetuate the wisdom, influence, and thought of Yves R. Simon.

"One of my greatest educational experiences at Notre Dame was to study briefly under Yves Simon. The Yves R. Simon Institute is a wonderful creation and worthy of the great man after whom it was named. May its work prosper in his image and tradition."

—Theodore M. Hesburgh, C.S.C.
President Emeritus
University of Notre Dame

"The works of Yves Simon are of enduring philosophical significance for their profundity and clarity. The establishment of the Yves R. Simon Institute will help to promote the widespread attention they deserve."

—Mortimer J. Adler, Director
Institute for Philosophical Research
Chicago, Illinois

"...one is struck by one quality which distinguishes the whole of Simon's works: the combination of a profound understanding of the basic insights of Western philosophy with a vivid experience of the philosophic problems of the contemporary world."

—Hans J. Morganthau
City College of New York

"All of us who were his students believe that we got a fundamental part of our education, knowledge of things that we still use every day, from him."

—Allan Bloom
The University of Chicago

"Yves Simon was a thinker of integrity; this means that he cannot be 'positioned' along the left-right spectrum. I strongly recommend his work for anyone who wants to learn how to react with independence and integrity to the maddening events of our century."

—Dante Germino
University of Virginia

There are no dues for membership in the **Institute**. Support of all kinds is most welcome, and members will be informed of activities and publications.

The **Simon Institute** will meet annually and hopes to sponsor and publish a yearly lecture.

All contributions, grants and gifts are tax deductible. The **Institute** is fully incorporated with an IRS 501(c)(3) classification.
