

ERRATUM

Myopic loss aversion: Potential causes of replication failures – ERRATUM

Alexander Klos

Keywords: multiple prospects; aggregation; segregation; myopic loss aversion; narrow bracketing; erratum

This is an archival correction notice, documenting a post-publication correction previously made in January 2014.

Figure 1 in the PDF version of this article (Klos, 2013) was incorrect and was replaced with the correct figure following publication.
