Meet the primary law resources most used by U.S. professionals.

In 1876, West Group created the classification system that became the basis of the largest legal publisher in the U.S. Today, West Group continues its tradition of producing dependable, authoritative primary materials in all formats: print, CD-ROM, Westlaw™ and westlaw.com™.

TRUST WEST GROUP EDITORIAL ENHANCEMENTS.

West Group prides itself on its “value added” treatment of raw legal information. Exclusive case histories and headnotes summarize each point of law to help you apply a case to your fact situation. Synopses give you a concise summary of the issue and procedural disposition of the case. And West Group’s exclusive Key Number System continues as the premier index for U.S. law.

CHECK KEYCITE FOR STATUS AND ADDITIONAL AUTHORITY.

West Group also advances the cutting edge of legal technology. The newly developed KeyCite™ citation research service allows you to trace the history of a case and retrieve all citing references — including cases and secondary sources.
