--	------------------------

ADDRESS ALL COMMUNICATIONS TO

J. D. LUCKETT, *Editor*
American Society of Agronomy
GENEVA, N.Y., U.S.A.

CONTENTS

	PAGE
1. PIPEB, C. S. Investigations on copper deficiency in plants. (With Plates 3-7 and one text-figure)	143
2. HALNAN, E. T. Observations on the value of whale-meat meal as a constituent of chick diets, with a note on the influence of added protein on the efficiency of utilization of the gross energy of a ration	179
3. SESHAN, P. A. and SEN, K. C. Studies on carotene in relation to animal nutrition. Part I. The technique of carotene estimation in feeding stuffs	194
4. SESHAN, P. A. and SEN, K. C. Studies on carotene in relation to animal nutrition. Part II. The development and distribution of carotene in the plant and the carotene content of some common feeding stuffs	202
5. STEPHENS, S. G. Yield characters of selected oat varieties in relation to cereal breeding technique. (With three text-figures)	217
6. BELL, G. D. H., GILSON, M. R. and WESTON, W. A. R. DILLON. Experiments on cutting potato tubers. (With Plate 8)	255

The Journal of Agricultural Science is issued in quarterly parts of about 150 pages with plates and figures, four parts constituting a volume.

Volumes XVI-XX (1926-1930) are out of print. Quotations can be given for other back volumes and parts.

Quotations can also be given for buckram binding cases and for binding subscribers' sets.

Papers for publication should be typewritten or written in a very legible hand, and may be sent to Dr F. H. A. MARSHALL, School of Agriculture, Cambridge, or to the associate Editors. Other communications should be addressed to the University Press, Cambridge.

Bibliography should be given under the heading of "References" in the following form:

Surname of authors (in alphabetical order), initials, date of publication (in brackets), title of Journal (abbreviated according to the *World List of Scientific Periodicals*), volume and pages of reference. In the text a reference should be quoted by the author's name and date (in brackets).

All names of Journals and books should be in italics.

Contributors will receive twenty-five copies of their papers free. A limited number of additional copies may be purchased if ordered when final proof is returned.

The subscription price for each volume, payable in advance, is 30s. net per volume (post free); single numbers 10s. net. Subscriptions may be sent to any Bookseller, or to The Cambridge University Press, Bentley House, 200 Euston Road, London, N.W. 1.

The Cambridge University Press has appointed the University of Chicago Press, agents for the sale of *The Journal of Agricultural Science* in the United States of America.
