Double Character

Slavery and Mastery in the Antebellum Southern Courtroom

Ariela J. Gross

In a groundbreaking study of the day-to-day law and culture of slavery, Ariela Gross investigates the local courtrooms of the Deep South where ordinary people settled their disputes over slaves. *Double Character* seeks to explain how communities dealt with an important dilemma raised by these trials: how could slaves who acted as moral agents be treated as commodities?

"*Double Character* is a profoundly important book. At a time when there has been much romanticization of master-slave relations, Ariela Gross dissects hundreds of antebellum legal cases in which the presumed attributes of blacks, whites, and those 'in between' were litigated. What emerges is a pattern of assumptions whose power was sanctioned by law and whose legacy we battle still. A brilliant work of scholarship."—Patricia Williams, Columbia School of Law

STUDIES IN LEGAL HISTORY

The Anti-Rent Era in New York Law and Politics, 1839–1865

CHARLES W. MCCURDY

“Not only provides a much more thorough and detailed account of the Anti-Rent movements than anyone has ever given before, but throws a brilliant light on property law, constitutional law and party politics in mid-19th century America.”

—Robert W. Gordon, Yale University

Approx. 496 pp. \$45 cl

Inventing the Criminal

A History of German Criminology,
1880–1945

RICHARD F. WETZELL

“Exploring the claims of penal reformers, criminal psychiatrists, lawyers, doctors, and politicians, [Wetzell] shows that even under the Nazis, scholars remained uncomfortable with the idea that individuals could be ‘born criminals.’”

—Suzanne Marchand, Louisiana State University

368 pp. \$39.95 cl

The Legalist Reformation

Law, Politics, and Ideology in New York,
1920–1980

WILLIAM E. NELSON

Based on his research in thousands of cases, Nelson shows how New Yorkers slowly began to reconceptualize social conflict in terms of the power of majorities and rights of minorities, using law to enact an ideology of liberty, equality, human dignity, and entrepreneurial opportunity.

“An excellent history of our most influential state legal system. A brilliant achievement!”

—Morton J. Horwitz, Harvard Law School

Approx. 528 pp. \$49.95 cl

FREE SPEECH IN ITS FORGOTTEN YEARS

by David M. Rabban

"[A]n unusually successful blend of historical research and legal analysis. It will be indispensable reading, not only for legal historians, but for anyone who wants to understand liberalism and its curiously convoluted history over the last century and a half."

—Thomas L. Haskell,
Texas Law Review

"Rabban presents a new paradigm for the development of our First Amendment freedoms. [C]losely argued and elegantly written. . . . It moves deftly among the social, cultural, and legal aspects of the development of First Amend-

ment freedoms. . . ."

—Stephen A. Siegel,
Reviews in American History

"David Rabban's formidable research has uncovered a fascinating story which everyone devoted to civil liberties will want to read. He challenges much that we thought we knew about the origins of the American Civil Liberties Union, and offers new perspectives on the history of American reformers."

—Linda K. Kerber,
May Brodbeck Professor in the Liberal Arts and Professor of History, The University of Iowa

"Fundamentally revises our understanding of the history of free speech in America. . . . Rabban skillfully recovers libertarian and antilibertarian attitudes toward speech that a long tradition of twentieth-century commentary has ignored."

—G. Edward White,
University Professor and John B. Minor Professor of Law and History, University of Virginia

The EVOLUTION of WESTERN PRIVATE LAW

EXPANDED EDITION

Alan Watson

In *The Evolution of Western Private Law*, renowned legal scholar Alan Watson presents a comprehensive overview of legal change in the Western world. Watson explains why and how such change occurs in mature systems, in underdeveloped systems, and when legal systems of different levels of sophistication and from different societal roots—such as those of the Romans and of Germanic tribes—come into contact.

Originally intended as a second edition of the author's widely acclaimed *The Evolution of Law* (1985), this expanded edition has been completely restructured with more than double the number of examples.

"A bold, brilliant, and provocative book that will occasion much debate in legal circles."—*American Historical Review*, reviewing *The Evolution of Law*

\$55.00 hardcover

A Law unto Itself?

Essays in the New Louisiana Legal History

Edited by Warren M. Billings and
Mark F. Fernandez

Past writings about Louisiana's unique legal structure have focused on the minutiae of its civil law origins rather than its overall place in American and Southern legal history. However, a new generation of writers has refused to view law in a vacuum, opting for interpretive schemes that mingle social, political, and intellectual history. Known as proponents of the New Louisiana Legal History, these writers—many of whom are sampled here—offer an exciting new interpretation of the state's past and present.

American Society for Legal History

ORGANIZATION AND MEMBERSHIP

The American Society for Legal History is a nonprofit membership organization dedicated to fostering scholarship, teaching, and study concerning the law and institutions of all legal systems, both Anglo-American and international. Founded in 1956, the Society sponsors this journal and *Studies in Legal History*, a series of book-length monographs available to ASLH members at substantial republication discounts. In addition, the Society holds an annual meeting to promote scholarship and interaction among teachers, practitioners, and students interested in legal history, and publishes a semiannual newsletter reporting developments in the field. For further information concerning the Society, please write: Walter F. Pratt, Jr., Notre Dame Law School, P.O. Box R, Notre Dame, IN 46556-0780.

To become a member of the Society, please complete and mail the application below to the University of Illinois Press at the address indicated.
