Simultaneous insulation and modification of quartz tuning fork surface by single-step plasma polymerization technique with amine-rich precursors – ERRATUM

Gizem Kaleli Can, Pelin Kömürçü, Hatice Ferda Özgüzar, Gözde Kabay, and Mehmet Mutlu

doi: <https://doi.org/10.1557/mrc.2018.79>, Published by Materials Research Society with Cambridge University Press, 26 April 2018

In Kaleli Can et al.,¹ the authors were presented in the wrong order. The correct order of the authors is as follows:

Gizem Kaleli Can, Pelin Kömürçü, Hatice Ferda Özgüzar, Gözde Kabay, and Mehmet Mutlu

The publisher apologies for this error and the original has been updated.
