

## ACKNOWLEDGEMENTS

Financial support of the meeting by the 'Deutsche Forschungsgemeinschaft (DFG)', Bonn, F.R.G., and the 'Bayerisches Staatsministerium für Unterricht und Kultus', München, F.R.G., is gratefully acknowledged. Travel funds for part of the participants were made available by the 'International Astronomical Union (IAU)'. The hospitality of the city of Bamberg also contributed to the success of the conference.

The organizers finally wish to express their thanks to Mrs. Gerda Feulner and Mrs. Monika Weber, for their assistance, in particular with the preparation of the proceedings.
