

## **THE BOLIVIAN REVOLUTION AND U.S. AID SINCE 1952**

### **Financial Background and Context of Political Decisions James W. Wilkie**

An incisive study of state policy in a "Marxist but non-Communist" revolution by UCLA professor Wilkie, winner of the 1968 Bolton Prize for history. A detailed budgetary analysis that penetrates the financial realities behind Bolivia's complex political scene and sets forth a rational methodology for examining state policy in relation to U.S. influence in a developing country. Includes more than 30 tables and graphs of social and economic statistics. \$6.50

## **STATISTICAL ABSTRACT OF LATIN AMERICA 1969 edition (for the year 1968)**

The 12th annual edition of this unique statistical reference source. Comprehensive statistics on the cultural, economic, financial, political, and social structures of Latin American nations, Latin America per se, and foreign dependencies. More than 100 tables of statistics on: spatial characteristics; demography; social organization and labor force; education, health, and welfare; religion and government; production and consumption; transportation and communication; economy, finance, and international trade. A new section has been added on politics, political parties, and changes of government. Cloth, \$12.00; paper, \$8.00

### **Ethnographic film:**

#### **TO FIND OUR LIFE**

#### **The Peyote Hunt of the Huichols of Mexico**

Filmed and recorded in the field in December, 1968 by anthropologist Peter T. Furst, this is the first documentary of the annual peyote hunt and ceremonies of the Huichol Indians of western Mexico. The film follows a group of sixteen Indians through the entire cycle of the peyote hunt in the desert and the ceremony after they return to Nayarit, including ritual eating of peyote and subsequent trance. Narration adapted from native text. 16 mm. color, sound. Approx. running time: 65 minutes. Cost per print: \$400.

## **THE SOCIAL ANTHROPOLOGY OF LATIN AMERICA**

### **Essays in Honor of Ralph Leon Beals**

Edited by Harry Hoijer and Walter Goldschmidt

Fourteen essays on native social organization in Latin America, all but one dealing with the present; many concerned with the effects of urbanization and acculturation. Authors include Julian Steward, who re-formulates his evolutionary theory as it applies to Latin America; Edward H. Spicer on nativism among the Yaqui and Mayo Indians; and Richard N. Adams on provincial power structure in Guatemala. Other contributors include Pedro Carrasco, John G. Kennedy, and Johannes Wilbert. In press. \$8.50
