ChloroPrep[®] One-Step

Chlorhexidine Gluconate (CHG) 2% w/v, Isopropyl Alcohol (IPA) 70% v/v

The perfect solution in the fight against skin bacteria that cause infection.

Not since the introduction of povidone iodine has a new antiseptic caused this much excitement. ChloroPrep is a broad spectrum antiseptic that significantly reduces the number of microorganisms on patient's skin. ChloroPrep combines the fast acting power of IPA and the persistent power of CHG.

**Fast. Safe. Persistent.
Proven Effective.**

**2 new friction applicators
as innovative as the antiseptic.**

ChloroPrep is packaged in two unique one-step applicators that facilitate friction scrubbing. The 3-mL is perfect for insertions and catheter care, while the 1.5-mL Frepp[®] is designed for smaller venipuncture sites.

No swabs to drip. No mess. No stain.

All in One Simple Step.

For more information contact us at 1-800-523-0502 or www.chloroprep.com

Fit Test TB Masks the Easy Way!

...with the PORTACOUNT® Plus Respirator Fit Tester and N95-Companion™ from TSI.

- Quantitatively fit tests any N95 disposable respirator.
- Easy to use...any other way is the hard way!
- Provides confidence in fit test results.
- Replaces subjective and tedious Bitrex and saccharin methods.
- Complies with OSHA's TB guidelines.
- Windows®-based software automates fit tests and maintains records.
- Also fit tests respirators used by hospital maintenance workers.

Director, Infection Control

When you bring the best talents together, the combined power and skills are simply amazing. Welcome to Group Health, an award-winning health system providing progressive, patient-centered health care through two hospitals, a long-term/sub acute facility and 30 primary care clinics as well as five specialty medical centers. Our health care professionals enjoy an atmosphere where teamwork and empowerment are the standard. Here, you actually help to create the patient care plan. If you're ready to share in the rewards, we have an outstanding opportunity to offer you.

We are seeking a RN/BSN or MT or BS microbiology to design, implement and direct the infection control program in our integrated healthcare system.

We offer an outstanding benefits package, including medical coverage from the first day of work, employer supported retirement program plus generous paid time off. Refer to job #4037.

At Group Health, you will find a supportive, friendly atmosphere to do your best work. **To apply visit us online at www.ghc.org or call Becky Petersen, (206) 988-7743/(800) 848-4259 or email: Petersen.b@ghc.org.** Group Health is an Affirmative Action and Equal Opportunity Employer.

A difference made.

Santa Barbara.

One of the most beautiful cities in the world!

Cottage Health System is located in historic Santa Barbara, a world-renowned location famous for its coastal climate, breathtaking mountains and friendly community.

INFECTION CONTROL PRACTITIONER

We currently have a full-time opportunity for an Infection Control Practitioner that requires an RN with 2+ years of infection control experience. CIC preferred.

With a full service teaching hospital, rural and community hospital settings, Cottage is the largest healthcare organization on California's Central Coast. Just a few of our benefits include:

- \$5,000 sign-on bonus
- Top salaries
- \$1,500 relocation assistance
- \$3,000 rental assistance
- \$1,000 education reimbursement

CHS is committed to providing the finest community healthcare services. Please send resume to: P.O. Box 689, Pueblo at Bath Street, Santa Barbara, CA 93102-0689, Fax: (805) 569-7557, or E-mail: chsjobs@cottagehealthsystem.org. You may also apply online at our website. CHS is proud to be an Equal Opportunity Employer.

Medical Excellence Close To Home.
