Due to the COVID-19 pandemic, many 2021 events have been canceled or have moved to a virtual platform. Please check the event website for additional information concerning each listing.

List your meeting here:

Following is a list of microscopy related meetings and courses. The editors would greatly appreciate input to this list via the electronic submission form under "events/other microscopy events" at the MSA webpage: www.microscopy.org. We will gladly add hypertext links to the notice on the web and insert a listing of the meeting in the next issue. Please furnish the following information (any additional information provided will be edited as required and printed on a space available basis):

- Meeting/Course name
- Meeting/Course dates
- Meeting/Course topic or short description
- Sponsoring society/organization/university
- Contact person
- Telephone number
- Fax number
- Email address
- URL for website

Meetings 2021

Core Technologies for Life Sciences (CTLS 2021)

September 13–15, 2021
Virtual
