

## THE *ECONOMETRIC THEORY* AWARDS 2020

I am delighted to announce the following *Econometric Theory* Awards for 2020.

*Multa Scripsit (2020)*: Anders Bredahl Kock  
Bent Nielsen

*Plura Scripsit (2020)*: Hidalgo Javier

There are presently three levels of the *ET* award: *Multa Scripsit*, *Plura Scripsit*, and *Plurima Scripsit*. The awards are made annually using an automated point system based on an author's cumulative publications in *ET*. A description of the award system and a copy of the *ET* Award Certificate may be viewed on the *ET* website at <https://www.cambridge.org/core/journals/econometric-theory/et-awards>.

Cambridge University Press joins me in congratulating the recipients of the 2020 *ET* Awards and thanking them for their sustained contributions to econometric theory.

Peter C. B. Phillips
