Acta Neuropsychiatrica

Effective with the 2011 volume, *Acta Neuropsychiatrica* will be published in an online-only format.

AIMS & SCOPE

Acta Neuropsychiatrica is an international journal that publishes high-quality research papers in neuropsychiatry and neuroscience. The journal provides a forum for original basic and clinical research from all disciplines and research areas relevant to the patho-physiology, neurobiology, and treatment of neuropsychiatric disorders. *Acta Neuropsychiatrica* provides its readership with the latest perspectives from current and emerging fields of psychiatry, neurology, pharmacology, genetics and neuroimaging. Full-length Research Articles are welcome, as are Review Articles, Editorials and correspondence in the form of Letters. All articles published in *Acta Neuropsychiatrica* undergo peer review.
