Arabic Sciences and Philosophy (ASP) is an international journal devoted to the Arabic sciences, mathematics and philosophy in the world of Islam between the eighth and eighteenth centuries, in a cross-cultural context. In 2009, the journal extended its scope to include important papers on scientific modernization from the nineteenth century in the Islamic world. Together with original studies on the history of all these fields, ASP also offers work on the inter-relations between Arabic and Greek, Indian, Chinese, Latin, Byzantine, Syriac and Hebrew sciences and philosophy. Casting new light on the growth of these disciplines, as well as on the social and ideological context in which this growth took place, ASP is essential reading for those interested in these areas.

THE BRITISH SOCIETY FOR THE HISTORY OF SCIENCE

Membership of the Society, which includes a subscription to *The British Journal for the History of Science*, is open to all persons approved by the Council of the Society and elected at an ordinary meeting. The annual subscription for the membership year 2010 is £41.00 (\$66.00) or £22.00 (\$34.00 or €32) for associate membership, which includes students at centres of higher education. There is an Introductory Offer for ordinary members who pay £33.00 (£66.00) for the first year. Applications for membership should be made on a form available from the Society's Executive Secretary at the address below. Payment may be made by cheque or credit card.

The British Journal for the History of Science is the official organ of the Society. All correspondence on the contents of the Journal should be addressed to the Editor, Jon Agar, Department of Science and Technology Studies, University College London, London WC1E 6BT, email ucrjhea@ucl.ac.uk

Book reviews: Books for review should be sent to the Reviews Editor, Dr Adam Mosley, School of Arts and Humanities: History and Classics, Swansea University, Singleton Park, Swansea, SA2 8PP, Wales, United Kingdom.

BSHS publications: BSHS Monograph Series is designed to allow the publication of monographic studies in the history of science quickly and cheaply. All correspondence on the subject of monographs should be sent to Lucy Tetlow, Executive Secretary, PO Box 3401, Norwich NR7 7JF. Twelve monographs are currently available.

Recent titles are as follows:

Images of the Earth: Essays in the History of the Environmental Sciences. Edited by L. J. Jordanova and R. Porter. Second edition. 1997. £17.

Science in Art: Works in the National Gallery that illustrate the History of Science and Technology. By J. V. Field and F. A. J. L. James. 1997. £15.

To See the Fellows Fight: Eye-witness accounts of meetings of the Geological Society of London and its Club, 1822-1868. By J. C. Thackray. 2003. £15.

The Society's newsletter, *Viewpoint*, an informal publication, appears three times a year. It is free to members, £10.00 (£20.00) for institutions and non-members from the Executive Secretary.

Administrative business of the Society is handled by Lucy Tetlow, Executive Secretary, British Society for the History of Science, PO Box 3401, Norwich, NR7 7JF.
