>   *March 13, 2018*
>   Old Billingsgate, London, UK
>   https://britishlegalitforum.com/

ASIL 112th Annual Meeting (American Society of International Law)
>   The theme of the 2018 Meeting is "International Law in Practice." The 2018 Annual Meeting will focus on international law in action: how and by whom international law is made, shaped, and carried out, both formally and informally; how it is taught; how and in what ways states and other actors interact; and how participants deploy inter-national legal arguments. The meeting will consider how international legal practice has changed and is continuing to

change in response to geopolitical shifts and contemporary challenges, including demands for greater transparency, accountability, legitimacy, and inclusion.

April 4–7, 2018
Washington, DC, USA
https://www.asil.org/annualmeeting

Computers in Libraries 2018

"Digital Transformation: Next Gen Tools & Strategies for Community Impact." Computers in Libraries will delve deeper into library models, strategies, transformational technologies, creative processes, and innovative programs while looking for new and exciting solutions to engage communities and have positive impacts on members.
